A Reflection

In all that we do and are, GOD is using us all daily in our faith and good works to bring The Love of His Kingdom on earth as it is in Heaven to all those He places in our paths every day.

Saint Paul declares to us that, when we are filled with The HOLY SPIRIT, His fruits of Grace work in us to make us fit instruments of Divine Providence: love, joy, peace, patience, kindness, generosity, faithfulness, gentleness and self control.

This is why Saint Mother Theresa of Calcutta calls us to live abundantly in prayer, faith, love, service and peace in a daily cycle of reinforcing Grace under Divine Providence.

A Prayer

May The Lord strengthen and renew us daily and give us His perfect peace, that we may rejoice in being His humble and faithful servants, living out the fruits of The SPIRIT in us in prayer, faith, love, service and peace!

AMEN.
