"The Holy One that we have forgotten... This GOD [is] JESUS CHRIST of Nazareth. We have taken Him out of our lives, and then frantically try to come up with solutions."

"GOD created the human immune system," but the [covid so called "vaccine"] and constant government imposed stress "then destroy the immune system."

Commands to darkened civil authorities, "Out of love and humility... Let people live their normal lives! Enough of these so called lockdowns..."

The people are suffering physically, emotionally, spiritually and financially... Where are the Christian leaders to stand up and say something in a loud voice?

JESUS CHRIST is our Power, Strength and Might. He told The Truth, not by going quiet, but spoke before the powers of the state... Are we humans or are we animals? This is an absolute mass slavery...

We call Light darkness and darkness light. This can not be tolerated any more." Calls civil authorities to rule wisely, not oppressively. Calls Church leaders to rise up and speak out as one against tyranny.

Calls men back to True Liberty in GOD. Calls The Church to again fight darkness in The Light of CHRIST's Truth.

15 And the mean man shall be brought down, and the mighty man shall be humbled, and the eyes of the lofty shall be humbled:

16 But The LORD of Hosts shall be exalted in judgment, and GOD that is holy shall be sanctified in righteousness.

17 Then shall the lambs feed after their manner, and the waste places of the fat ones shall strangers eat.

5 Thomas saith unto Him, Lord, we know not whither Thou goest; and how can we know The Way?

6 JESUS saith unto him, I AM The Way, The Truth, and The Life: no man cometh unto The Father, but by Me.
