Before GOD and man, Pope Francis and the majority of Catholic Bishops betray our Lord JESUS CHRIST, His Church, humanity and the unborn by endorsing and promoting the use of these experimental gene therapy drugs – showing themselves to be increasingly dangerous and deadly around the world - because they are all developed, tested and/or manufactured using tissues and cells harvested live from aborted human babies from the wombs of their mothers.

The Lozier Institute report lists multiple known so called “vaccines” in use and being developed, with sourcing of aborted harvested human preborn baby sources – organs, tissues and cells – and where in the manufacturing process they are known to be used. There are virtually none that are not abortion-tainted.

PSALM 139:13-17

13 [O LORD,] ...Thou hast possessed my reins: Thou hast covered me in my mother's womb.

14 I will praise Thee; for I am fearfully and wonderfully made: marvellous are Thy works; and that my soul knoweth right well.

15 My substance was not hid from Thee, when I was made in secret, and curiously wrought in the lowest parts of the earth.

16 Thine eyes did see my substance, yet being imperfect; and in Thy book all my members were written, which in continuance were fashioned, when as yet there was none of them.

17 How precious also are Thy thoughts unto me, O GOD! how great is the sum of them!
