Pope Francis & his Rome Hierarchy reportedly now mandating 3rd covid pseudo-vax shot for all at Vatican:

The "Holy Father" gives more moral cover for genocidal governments, power mad politicians & money hungry pharmaceutical industry to continue irreversible gene therapy experimentations of injury, sterilization, death & control on helpless humanity, deaf to cries of suffering around the world:

"ROME [www.breitbart.com] — The Vatican announced Wednesday that it has begun administering the third dose of the coronavirus vaccine, keeping the small city state on the cutting edge of response to the pandemic.

"In the second half of October, the Health and Hygiene Directorate of Vatican City State began to administer the third dose of vaccine against Covid19, giving priority to those over sixty and people with infirmities," declared the director of the Vatican press office, Matteo Bruno, in an email.

The Vatican's vaccine mandates have been among the strictest of any in the world.

Last February, the Vatican mandated that all its employees receive the coronavirus vaccine, threatening to demote or fire those who refuse. Those who decline the vaccine "without proven health reasons" make themselves liable to "consequences of different degrees that can reach up to the interruption of the employment relationship," read a decree from Cardinal Giuseppe Bertello, then-governor of Vatican City State.

Although initially the head of the Vatican's health department, Andrea Arcangeli, said that the vaccination would not be mandatory for Vatican workers and residents, the Vatican later changed its mind. Last month, however, the Vatican went still further, decreeing that no one can enter its territory without presenting a coronavirus vaccine passport or "Green Pass."

The Pope himself instructed the Governorate of Vatican City State to issue the mandate in order "to prevent, control, and combat the public health emergency" in Vatican territory.

According to the decree, Francis did so while asserting the necessity of "ensuring the health and well-being of the working community with respect for the dignity, rights, and fundamental freedoms of each of its members."

The normal way to obtain the Green Pass is by showing proof of vaccination against the coronavirus, but one can also demonstrate recovery from the virus or present a recent negative rapid antigen or PCR test every time one enters.

The Vatican's doctrinal office (CDF) has declared that reception of the coronavirus vaccine must be "voluntary," but Pope Francis has said "ethically everyone should take the vaccine" and that refusing the vaccine manifests "suicidal denialism."

HEBREWS 4:14-16

Our Salvation is in The Lord JESUS CHRIST,
not false idols of modernism and medical tyranny!

14 Seeing then that we have a Great High Priest, that is passed into The
Heavens, JESUS The Son of GOD, let us hold fast our profession.

15 For we have not an High Priest which cannot be touched with the
feeling of our infirmities; but was in all points tempted like as we are,
yet without sin.

16 Let us therefore come boldly unto The Throne of Grace, that we may
obtain Mercy, and find Grace to help in time of need.
