“An Obligatory Mark – Countdown to The Kingdom”

Father Paisios of Mount Athos was an Orthodox Christian Monk who foresaw a Pope Francis "act of love" vax passport like betrayal of mankind in prophetic visions that speak to the present emerging demonic new world order:

"...now a vaccine has been developed to combat a new disease, which will be obligatory and those taking it will be marked...

Later on, anyone who is not marked with the number 666 will not be able to either buy or sell, to get a loan, to get a job, and so forth.

My thinking tells me that this is the system through which the Antichrist has chosen to take over the whole world, and people who are not part of this system won't be able to find work and so on — whether black or white or red;

in other words, everyone he will take over through an economic system that controls the global economy, and only those who have accepted the seal, the mark of the number 666, will be able to participate in business dealings."

I JOHN 4:1-4

1 Beloved, believe not every spirit, but try the spirits whether they are of GOD: because many false prophets are gone out into the world.

2 Hereby know ye The SPIRIT of GOD: Every spirit that confesseth that JESUS CHRIST is come in The Flesh is of GOD:

3 And every spirit that confesseth not that JESUS CHRIST is come in the flesh is not of GOD: and this is that spirit of anti-CHRIST, whereof ye have heard that it should come; and even now already is it in the world.

4 Ye are of GOD, little children, and have overcome them: because greater is He that is in you, than he that is in the world.
