Dr. Ryan Cole sounds alarm,

"It's an experiment – We don't even have long term safety data yet!"

****CAUSE** - covid pseudo-vax spike proteins are the toxins.

****PROBLEM** - bio-engineered messenger RNA into every cell, produced in trillions, migrate throughout body.

****EFFECTS** - auto-immune inflammation and clotting in multiple organs, body sees spike protein as pathogen.

****RESULTS** ~ untold major injury, disease, infertility, death.
